This is a great movie and takes us back to the great days when I used to watch movies in the hall, sit under the picture of the brothers Farah Khan and watch the movies. The movie has a great story line which has a unique style to it and has great music and dance scenes. The movie is recommended for all ages. A truly remarkable piece of art. A must-watch. A must watch! That is a beautiful movie! I love it! Amazing! Gorgeous! It's a super fun movie! I love the music and stunts in this movie It's a really good movie! Loved the movie! I love the movie its soooooo oooooo! "It was not a movie it was a LOVE" A must watch A must watch I'm waiting for the next Munna movie So good, great, beautiful, loved it, I have watched it numerous times, tried to download it and failed. Is there a way to download? Loved the movie so much.. really loved it. Loved the movie. Wonderful. Simply superb. I watched this movie on 4th of July and I am feeling sad that it is over. This is one of my favourite movies of all time. Good movie. It's a masterpiece. Tigers are so badass! A real treat. A charming and delightful movie. This is a must-see! Unstoppable. A bit cheesy but still a good movie. A decent movie. It was actually a good movie! It's a must watch! This movie is a must watch! Fun! The movie is soooo good! I loved it! I felt that movie had a good storyline and the actors did an amazing job. This is a worthy sequel to the original Munna Michael movie. Superb! Munna Michael (2017) Full Movie
